A MESSAGE FROM CALVARY

We, the Technical Services Ministry of Calvary Church, have the opportunity to minister to you through the availability of the recorded preaching and teaching ministry of Calvary. While recorded messages are not a substitute for the fellowship of God's people in the local assembly, they can help in home studies, in meeting needs for the sick, shut-in, missionary and those who do not have a church available where God's Word is believed and ministered with conviction.

Calvary's weekend services are broadcast live through Calvary's website (*calvarygr.org*). On the "Sermons" tab, you can also find archives of past messages.

Calvary Church
