	Discussion Questions: What is the difference between "submitting" and "obeying"?
2)	What does it mean to submit? Does submission mean that one person is subservient to another (see also Ephesians 5:22 1st Timothy 2:11-15)? Are there ways in which you can be obedient but not submissive (see also Philippians 2:14)?
3)	What character trait helps the most with submitting? What can make it most difficult to submit (see also 1 st Peter 5:5)?
4)	Can we all "submit" to each other at the same time? If so, how? If not, why?
5)	What motivates or "drives" our submission (see also Luke 2:41-52; Philippians 2:1-11)? Why is it sometimes so difficult to someone else?
6)	In what areas of life are we asked to submit (see also Ephesians 5:22; Hebrews 13:17; Romans 13:1-2; 1 st Thessalonians 5:12 13; 1 st Peter 2:18; Ephesians 6:1-3)?
7)	Is there anyone you can think of who could benefit from hearing this message? How can you make sure you lovingly share it with them this week?
