*Secret of Success*

Joshua 1:7-9

1. What did you notice in the sermon this week?
2. Where have you placed your hope in being successful? What do you feel you would have to do, or be able to do, in order to consider yourself successful in life? What are you doing in order to try to get ahead of everyone else in their formula for success?
3. When do you spend time meditating on God's word? When is the best time to meditate on God's word in your day?
4. Are there places in your life where you are being disobedient to God's word? Are there places in your life where you have recognized that you are being obedient to God's word?
5. What steps are you going to take in order to meditate more on God's word? Will you listen to a sermon, put a bible verse in your car, share a bible verse at dinner, listen to music based on scripture, use a random number generator to determine your bible reading for the day, or work to memorize verses throughout the week? What else could you do?
