

## Don't You Know Me Philip?

7.3.11

John 14:7-14

### Sermon Discussion Questions:

- 1) In the introduction, Pastor Jim pointed out a number of different troubles he sees in America today. Have you seen the same types of things? What did Pastor Jim say was the root cause of these problems? Do you agree with this assessment?
  
- 2) In John 14:7-10, Philip says he wants to see the Father and Jesus implies that he already has. In these verses how does Jesus explain that Philip has already seen the Father?
  
- 3) If Jesus is claiming to be God himself (being in the Father, and having the Father in him), then how does that change the way you should view the other things he says and the authority with which he says it? Why might this be an important point to understand?
  
- 4) Specifically what aspect of the Father had the disciples seen in Jesus? What is "glory"? How does glory reveal the Father?
  
- 5) In the sermon, how did Pastor Jim say we could show the Father to others? *How* does this show the Father to others? Are there any other ways you could accomplish this?
  
- 6) Take a few moments to think of three people in your life who don't have a relationship with Jesus. In what specific ways can you (will you?) show the Father to each of them this week?
