

Guidelines for Worship Service Attendees

Thank you for worshipping with us in the Sanctuary.

As a demonstration of love for your fellow attendees, we ask that you follow the guidelines below.

- While you are in the building, we expect you to wear a mask. We've chosen to do so out of love for one another, on the basis of Romans 14. (If you are medically unable to wear a mask, there is a designated section of the Sanctuary available for you to sit in.)
- Please sit in designated rows, as directed by the ushers.
- Leave three empty seats between you and the next party in your row.
- At the conclusion of the service, ushers will be dismissing rows from back to front. Wait for your row to be dismissed and exit accordingly.
- Please maintain six feet of distance between you and other attendees while conversing. Avoid congregating in the aisles, so people may pass freely.

Our goal is to bear with one another in love, being respectful and mindful of all attendees.
