Partner

First Baptist Church - Lodz, Poland – Leszek and Ania Wakula

*Recently Leszek was notified that the vehicle they purchased a few years ago may have been stolen. They bought this car legitimately from a reputable source but if it is stolen, they will lose the car. Please pray that this would be resolved quickly and that they can keep the car.

Local and International Partner Churches

*Many of our partner pastors and their wives have given up planned times of respite or study breaks because of the pandemic. Please pray as we look for ways to encourage and bless them in the coming months.

Plant

Indwelling Church – future church plant – Clarence & Leah Stamps

*Please pray for Clarence as he leads the Sunday evening service and continues to build his leadership team.

New Heart Church – church plant – Adam and Ruth Anderson

*Pray for New Heart as this month they move to being an independent church.

Pangrati Church Plant – Church Plant with Glyfada

*Please pray for guidance and wisdom as our partner church in Glyfada, Greece plants this new church plant. Pray for the Church Plant committee as we consider our involvement.

Train

Ordination and Commissioning Cohort

*Two participants from the 2019-2020 cohort have formally requested ordination from the Calvary Church elders. Pray for those who have been invited to sit on the ordination councils and the men as they prepare for these councils.
