

Jerusalem Project Prayer Team – April 2021

Partner

***Sabbath Rest** – The Jerusalem Project has established a sabbatical fund for partner churches to help cover the cost of much needed sabbath rest for pastors after a very challenging year. Pray for rest and that this time away will be an encouragement to pastors.

Magdalen Road – Oxford, England - Dan and Zoe Steel

* The church recently purchased a building but have received news that the planning commission has rejected the proposal for worship space. It seems that political pressure on the planning board has changed their minds. Please pray God would intervene and soften the hearts of those making decisions. Pray that the church would have wisdom in responding to this setback.

First Baptist Church – Lodz, Poland – Leszek and Ania Wakula

*Pray for restored health and strength as both Leszek and Ania are recovering from Covid. Praise God that Leszek's father (88) is also recovering.

Plant

Sanctuary Church – Lenski and Tanya Llorens

Pangrati , Greece– Emmanuel & Bethany Tsoutsas

*Pray for the team as they find creative ways to connect with their community during lockdown. They have been having prayer walks around town and inviting people to join them.
