Partner

International Church Partners

*Join us in praying for our partner church pastors as they continue to serve their congregations through this pandemic. Pray that God would give them strength and perseverance as many are preaching extra services to accommodate Covid restrictions. Pray that God would continue to use them to encourage and bless their churches.

New Heart Church, Grand Rapids

*We are rejoicing with New Heart Church that God has provided a new meeting place at Ada Bible's "Warehouse" building near East Paris and Lake Drive.

Plant

Indwelling Church, Grand Rapids – Clarence & Leah Stamps, Dan & Kari Kavanaugh

*Please join us in praying that God would continue to bring people to the church. Pray for the development of strong servant leadership to minister to the downtown Grand Rapids community.

Potential Church Plant Opportunity – Townsend, MA

*Please pray for wisdom and discernment for the Church Plant team as they meet this month with pastors from Massachusetts to explore the possibility of partnering to plant a church on the east coast.

Train

UCCD Resident

*The resident we sponsor through UCCD, Paul, has received his Visa and his studies are going well. Pray that he would be encouraged by his connection at Calvary and that they can be a blessing to each other as they get to know and pray for one another.

Worship Collective Residents –

*Pray for our second cohort of worship residents that will begin in January. Pray for the relationships between the residents and the congregations where they are serving.
