1. If you're married, could you share your story about how God was involved or not involved in your marriage process?

If you're not married and looking forward to doing so, could you share how you hope God is involved in your marriage?

2. If you are not married, can you trust God in finding you a spouse, in whatever way He decides to do it? In Genesis 23, Abraham had to trust God when Sarah died.

If you are married, do you trust God with your spouse, even if He decides to take them from you?

3. After reading Galatians 5:16-26, is there a way that you can encourage each other to follow the fruit of the Spirit and be free from looking for the acts of the flesh?

4. Do you believe that "to obey is better than sacrifice" (1 Sam. 15:22)? Have you ever submitted to God at the crossroads of meaningful choices in life? Please share your story with your friends.

5. Marriage is a covenant between a man and a woman before God. However, this does not mean you are on your own. What ways could your small group support you in your marriage, your dating relationships, or your singleness? How can Calvary support you in these things?
