

***All Things Are Possible When We Believe***

Matthew 17:14-23

**Sermon Discussion Questions**

**November 5, 2023**

1. How have you defined faith in the past? Have you thought about faith in the way that was described in the sermon this week: Faith is the ability to see something that isn't easy to see.
2. Have you ever felt guilty or confused, thinking that you were just incapable of mustering up enough faith? How have you seen God give you opportunities to grow your faith over the course of your life?
3. **Read 1 Timothy 1:3-5.** What does it tell us about how God advances his work?
4. In our passage we see one of the reasons the disciples cannot cast out the demon in the boy is because Jesus is not present with them. What gift does God give us to help grow our faith? Where do we experience this gift in a tangible way?
5. How have you seen the church grow your faith over your faith journey? How does the message from this sermon help you to see the church in a new light or confirm what you have experienced in church before?
6. How is the church described in scripture that would tell us we experience the presence of Jesus in a special way there? What aspect of church allows us to exercise faith on a weekly basis? How can you incorporate this into your daily relationship with God?
7. Where in your life do you need to ask God to help you with your unbelief and grow your faith?
