

Why the Commission is Still Great

Sermon Discussion Questions

March 3, 2024

1. Which one of the six points of the teaching stood out to you about the Great Commission?
2. What has been your view of the Great Commission? Is it valuable? Is it harmful to cultures? Do we need to care about it? Is it essential for all Christians today or just to missionaries?
3. If a vision of the Great Commission is the sign of a healthy church, how are we doing? Where have you seen this done well? Where have you seen this done poorly? How can we do a better job?
4. How do you see yourself taking part in the Great Commission? How can you start participating in the fulfillment of it, if you are not?
5. Take some time to look at Calvary's website for Missionary Prayer Requests (<https://calvarygr.org/ministries/missions-outreach/missionaryprayer/>). Look at some of their prayer requests and choose a missionary family or individual to pray for with your group.
