

# Work Residency

Jerusalem  
PROJECT

*Training Branch*

## OVERVIEW

### WORK Residency

Designed for High School & Young Adults (16-20)

Work Residents learn how to **Worship** God in all things, stewarding their **Occupation** and **Relationships** to further God's Kingdom.

This residency combines work experience, skill acquisition, spiritual formation, and life skills training. The Work Residency cultivates a biblical understanding of work and worship, calling, interpersonal relationships, and work skills with a kingdom mindset.

### Core Team | Ministry Specific

5-10 hours with Core Ministry Department

Each resident will belong to a core ministry team where they have supervised meaningful work responsibilities, skill development, and professional assessment feedback.

### Skills Development

Scheduled Throughout the Year

Part of the Work Residency includes acquiring transferable skills for resume building and future work experiences. (CPR/First Aid, Barista & Serve Safe, Leadership, and Work Relationship Management)

### Formation | Resident Experience

Sundays 10:45am – 12:15pm

Intentional spiritual and personal formation built into Resident meetings, spiritual mentoring, and crafted Resident Experiences offered throughout the year to equip residents to flourish in their faith and life.
